WHITTAKER'S HOMER GIVES PHILS GAME

Freak Circuit Drive with One Out in Tenth Inning Wins for Quaker Team.

FOUR TO THREE IS THE SCORE

PHILADELPHIA, Aug. 30.—A freak home run drive by Whittaker with one man out in the tenth inning gave Philadelphia a victory over St. Louis today, 4 to 3.

Whittaker drove the bleachers wild, lounded against Becher's chest and caromed into the stand. St. Louis scored two runs in the third inning by hitting Alexander's delivery hard. The latter was taken out in the seventh for a pinch hitter, Becker, and during this session Philadelphia staged a rally and took the lead. Manager Huggins protested so vigorously that Bancroft interceded with him on an attempt for a double play that the former was sent off the field by Umpire Eason. Mayer took Alexander's place in the eighth inning and Fordie succeeded Meadows with two men out in the ninth.

WILL ADAMS WINS IN TENNIS FINALS

Defends Title Against Johnny Brotherton—Powell and Swiler Win the Doubles.

ADDELIE FOGG BEATS MISS KRUG

Exhibiting a brand of tennis that was too fast and too shrewd for his less experienced opponent, Will Adams retained his title as junior city tennis champion by defeating Johnny Brotherton, winner of the tournament, in the challenge round, yesterday.

Adams won in straight sets, 6-1, 6-2, 6-4. Adams clearly outclassed Brotherton, who was the real dark horse of the tournament. His driving, his placing, his judgment, all were superior to that of Brotherton, although Johnny put up a hardy battle. It was clearly a case of too much experience. It was Brotherton's first big match, while Adams has successfully coped with expert senior players.

Miss Fogg Wins.

Adelie Fogg defeated Katherine Krug in the final round of the event for girls, winning in straight sets, 7-5, 6-3. Miss Fogg's victory was a distinct surprise.

Miss Krug was the favorite against the field and was expected to return victor over Miss Fogg. But the diminutive Adelle tended strictly to her business and caught Miss Krug napping.

Miss Krug started out as if she would live up to expectations. In the first set she had Miss Fogg four games to one. Here Adelle began to play, calculating her shots to a nicety, and she picked up and won the set. She played careful tennis and outgeneraled her opponent at all times.

Miss Krug played a good game of tennis. In fact to the casual onlooker it had the appearance of a superior game to that displayed by Miss Fogg. But it was a more careless game and it didn't win.

Results of Doubles.

Ralph Powell and Chariton Swiler captured the doubles honors by defeating Garner and Strehlow. The match went five sets and was almost three hours long. The score was 4-5, 7-5, 6-4, 1-6, 6-2.

Garner and Strehlow went after the start and capped the honors in the first set. But Powell and Swiler settled to their tasks in the second and third sets and won both. The fourth set went to Garner and Strehlow, but the final and deciding set went to Powell and Swiler.

The superior volleying and smashing of Powell was largely responsible for the victory. He played a fast, hard game both at the net and in the back court and time and again he drove the ball through his opponents for points Swiler also exhibited a neat game, but Powell was the star of the quartet.

Seven Golfers Make Scores Below Eighty in the First Round

Robert A. Gardner of Chicago, with a card of 76, was the best performer. A stiff wind and extremely cold weather were responsible for the unusually high scores. Par for the course is 72.

WINCHESTER

12, 16 and 20 Gauge Light, Hammerless Repeating Shotguns

Sportsmen differ as to whether a 12, 16 or 20 Gauge is the best shotgun for field shooting, but the knowing ones agree that the Winchester Model 1912 lightweight, hammerless repeater is the one best bet in the shotgun line.

This Winchester being made in 12, 16 and 20 gauges permits an advocate of the big, medium or small bore to indulge his fancy and be sure of getting a gun that is true to its gauge in balance, weight and length.

All three gauges of this model are made of specially selected materials. Nickel steel which is twice as strong as ordinary gun steel, is used throughout for the metal parts in this Winchester. This means a lightweight gun without sacrificing safety or strength.

This gun has a cross-bolt trigger lock, a smooth, quick and easy action, and a simple Take-Down system. It loads and unloads easily and its shooting qualities are not excelled by the highest priced double guns. There are many other pleasing and exclusive features of this Winchester which appeal to sportsmen that could be enumerated, but the gun itself is the best evidence of its quality and desirability.
